

K-LOVE radio has been a tremendous comfort to me and has also had a positive impact on my boys. The teenager comments on how it calms him when he is upset.

K-LOVE also provides guidance to millions of people all over the world. In my area, I see their bumper stickers on many vehicles.

According to reports to K-LOVE more than 8000 people have come to know Christ in 2004. Even if there are those who don't believe in Christ, all know that proper spiritual guidance helps not only the person, but all those who are connected to that person.

Please don't remove this valuable asset from the air waves.
